

MAGNETIC LID LIFTER

This *NEW* Rare Earth Magnet Technology clamps to the cover without any special tools
Makes moving heavy manhole covers an easy one man operation
Eliminates the use of pry bars
Reduces injuries caused by handling covers
Dolly handles break down for easy storage
For safety, the magnet must be in contact with the manhole cover to be engaged
Moves covers up to 36"
Chain attachment available for moving Grates
Twin magnet spreader bar available for lifting larger objects.

Lightweight Aluminum Heavy Duty Dolly (shown above) for use with Heavy Duty or Supreme Duty Magnets. For easy carrying it comes with a handy velcro strap.

COMPACT AND LIGHTWEIGHT

Aluminum Dolly weights only 18 lbs!
Folds down for shipping via UPS
Store folded Dolly in truck or Gang Box
Components can be easily separated

POWERFUL

Two lift positions
Average person can achieve 400lb pull out force.
Move the Dolly closer to the magnet for double the pull out force
Second position breaks loose even the most stubborn manhole covers
