RENTALS PARTS & SERVICE

Here For All Your
Vacuum Truck Needs.

 **Super Products®**

Products Available To Rent

Super Products Rentals give you access to the industry's most innovative and progressive vacuum excavators, combo sewer cleaners, industrial vacuum loaders, liquid vacuum trucks and more. We offer short and long term rentals and rent-to-own options, as well as parts and service centers for preventative maintenance and repairs.

MUD DOG

The Mud Dog Vacuum Excavator is a safe and efficient alternative to traditional digging equipment. Dig with water or air, vacuum debris and unload safely.

CAMEL

The Camel Combination Sewer Cleaner uses high pressure water and airflow to jet and vacuum away blockages in sewers and catch basins.

SUPERSUCKER

The Supersucker Industrial Vacuum Loader uses high power airflow to suck up solids, liquids, sludges, and slurries. It is available in stainless steel configurations.

DURASUCKER

The Durasucker Liquid Vacuum Truck is DOT certified to collect and transport hazardous and non-hazardous liquid or semi-liquid waste. It is available in stainless steel configurations.
